

Apostolic Work

— IRELAND —

Apostolic Work Ireland's objective is to share in the Apostolate of the Church through prayer and the raising of much needed funds to support deprived and vulnerable people in many countries. Normally on Mission Sunday each year members from Apostolic Work groups would meet together to celebrate Mass on the day, understandably this year we cannot.

At this time of worldwide uncertainty we ask our fellow parishioners here in Hollywood to pray for all those involved in Apostolic Work in mission throughout the developing world.

Thank you
